Statement from Robyn Gardner's Family

*Tipline added for confidential USA tips through the
Natalee Holloway Resource Center*

WASHINGTON, D.C. –Andrea Colson, mother of Robyn Gardner, made a statement this morning concerning the search for her daughter, the 35-year old female who was reported missing last week in Aruba:

Our daughter Robyn has been missing since August 2, 2011. We can only pray that she will soon be with us and bring back the joy into our lives. She means the world to us. We are hoping for the very best outcome with the help of the international community that we will reach a favorable outcome. We are confident and very grateful to the Aruba authorities and volunteers who are working above and beyond all our expectations. I hope you understand that we are being quiet as to not jeopardize the investigation. Please continue to pray for Robyn. Thank you.

Additionally, a confidential tipline has also been established by the Natalee Holloway Resource Center. Anyone with any credible tips on Robyn's disappearance or her current location is encouraged to call 407-237-2295.
