

Instructions on "How to Create an Origami Cherry Blossom."

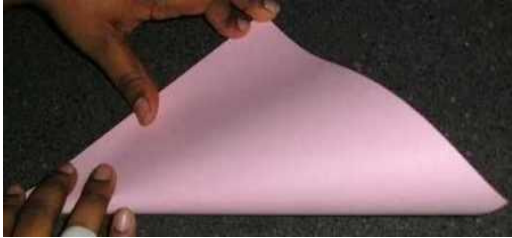

Step 1:  
First start with a square piece of paper

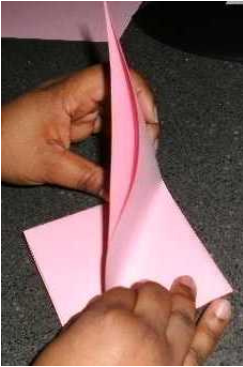

Step 2:  
Fold corner to corner making a triangle

Step 3:  
Repeat step making a smaller triangle

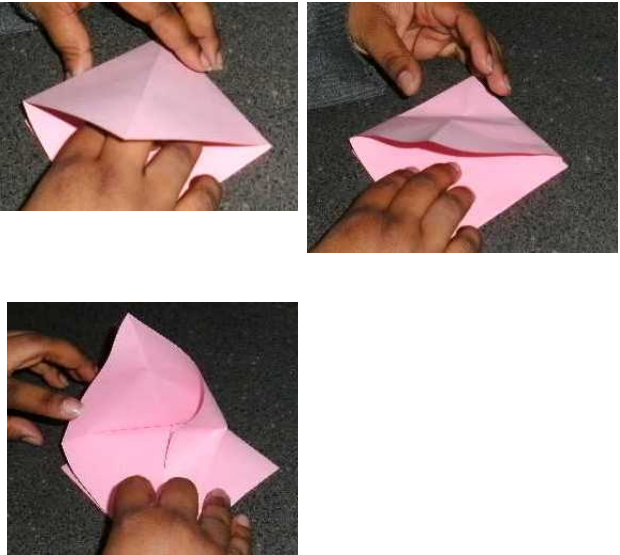

Step 4:  
Take the corner and fold down into a square (see below)

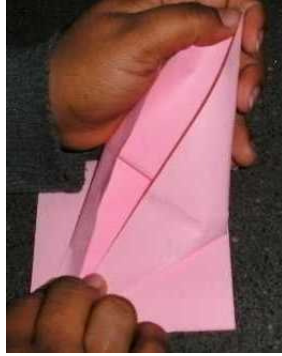

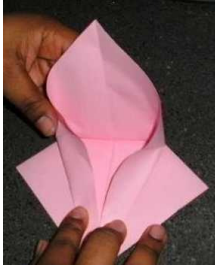

Step 5:  
Flip over and repeat, it should look like this...

Step 6: (several steps)  
Lift the corner and fold the inner corners in making a diamond

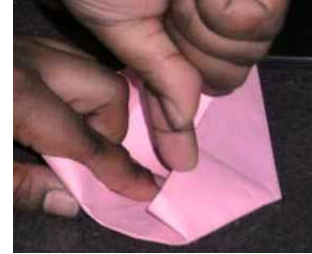

Step 6 (continued)

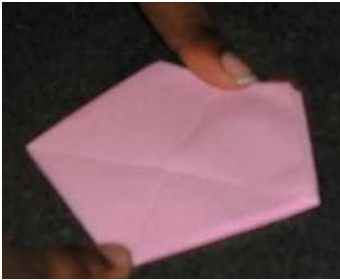

Step 7:  
Flip over and repeat

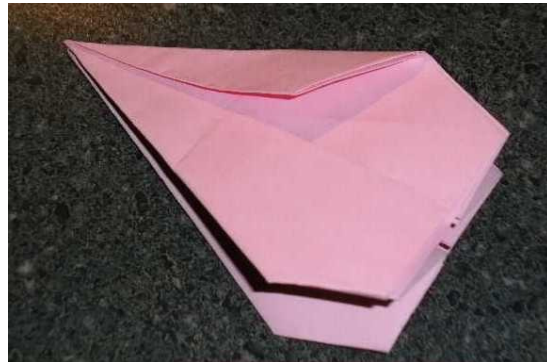

Step 8:  
Take each point and fold into the center, and press the flaps down into the crease (repeat this step 4x)

Step 9:  
Once finished it should look like this

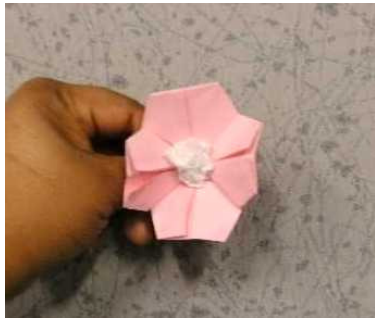

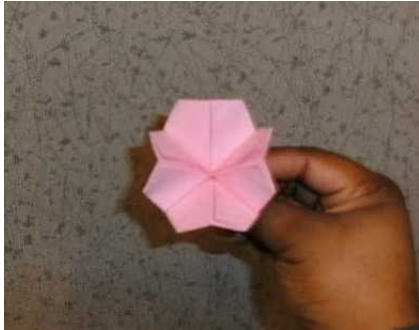

Step 10:  
With the point towards you fold each corner in until you have (see below)

Step 11:

Open up the center and put a piece of tissue paper, and you have your very own Cherry Blossom!

Congratulations!!!!

You have created an Origami Cherry Blossom!
